

EDUCATION AND DEBATE COMMITTEE CO-LEAD

2021-22 JUNIOR LEADS: 2 POSTS

The education committee lead's role is to represent the student council on the IME's education council, as it concerns a key area of policy for student ethics. Responsibilities of the role include:

- Organising the Student Debate 2021/22
- Promoting the development of the learning, teaching and assessment of medical ethics and law in UK medical schools by:
 - Encouraging horizontal and vertical integration of these subjects within the curriculum and the use of a variety of teaching and learning methods
 - Promoting the integration of theoretical and clinical ethics and law
 - Identifying and disseminating good practice and encouraging cooperation between medical schools
- Liaising with the IME Education Committee to work on projects that can improve medical ethics teaching in UK
- Liaising with Senior Social Media Lead to advertise Student Debate on Social Media
- Participation to all activities inherent to the role an IME Student Council member
 - Attendance to online & face-to-face Council meetings
 - Continued contributions to the Council
 - Thinking "outside the box" to improve our experience
