

Diversity and Inclusivity in Healthcare

bringing 'everyone together' after a year apart

The Richard Doll Society presents 'Diversity and Inclusivity in Healthcare', a hybrid conference 23rd October 2021. This conference provides a unique opportunity for participants to gain insight into more inclusive practise of healthcare, from bench to bedside. Students, researchers, and professionals are invited to submit poster snapshot presentations (abstract and poster with an optional 3-5 minute video presentation), on the theme of diversity and inclusivity in healthcare

Prizes available

Submission Guidelines:

Poster submissions must be submitted in pdf format

Poster presentation videos must be submitted in MP4 format and not exceed 100MB.

Author information, Ethics Declaration and Declaration of interests is required on submission

On poster acceptance, processing fee of £10 is required. This will be paid via Eventbrite link sent with email of acceptance

Deadline: 15th October 2021

Submissions should be submitted through the entry form, which can be accessed through this QR code.
